Warranty claims are subject to the discretion of the original product manufacturer. Any Defective product may be returned anytime while under the manufacturer's warranty period. Please contact us at **sydney@golclearanceoutlet.com** prior to returning any merchandise for warranty or defective consideration. Photos of the item in question are often helpful so it's imperative that you do not continue to use any faulty items as this may complicate the issue.

If your goods are damaged upon receipt, then it is imperative that you contact us immediately and do not use the goods. The same warranty procedures will apply taking in consideration the fact that your goods have obviously not been used.
